07/10/2017	SGS met	with	warm after and become into her room at their house without naked in bed; and (5) touching her	rith including but not ag graphic details about his men (3) making suggestive g pants when the weather is tame housemates; (4) coming aut permission while she was		

07/11/2017	Woodring Faculty, forwards email from and fowards to SGS	Emails from expressed that she does not feel safe to volunteer in the because of said that she helped move out of house after hearing shared concerning behavior from After helped move out of house, she heard that had been asking where lives and this scared .
07/11/2017	SGS call with	has not spoken directly with asked where she lives. She heard that he stated that she does not feel directly in danger.
07/12/2017	SGS and MC met with	See above concerns mentioned by in the 7/10/17 meeting. In addition, expressed the following concerns: (1) that was searching for in a way that made and others feel uncomfortable, including looking for car and (2) that in his role as an isoverly insistent about his hanging out with him and doing so at his house.
07/12/2017	MC and SGS met with	MC and SGS met with and sexual harassment concerns raised about him. MC and SGS explained that they would meet with next week once they received a fuller account of concerns but thought it was important that was aware. SGS and MC explained that there was not a current formal complaint against him. SGS and MC discussed the Discrimination Complaint Procedure with including differences between the informal and formal process. SGS and MC provided with copies of the Discrimination Complaint Procedure and Policies 1600.02 and 1600.04. MC also discussed definitions around consent. They also discussed the Office's limits on confidentiality and the prohibition against retaliation, as well as resources and reporting options. MC and SGS asked not to ask others if they raised concerns about him to EOO because it could be perceived as retaliation or an attempt to intimidate. SGS and MC letter know that they would meet with him next week to give him more details and a clearer picture of next steps. SGS letter know that would like to meet with him about other non-EOO issues and that he was available to talk.
07/12/2017	MC met with	expressed concerns about behavior with the last seen asking others where lives. She believes that wants to know where she lives because she is friends with and helped move out of the house that was staying in. Indicated that she wasn't interested in filing a complaint but that the primary reason for meeting with MC was to support.

07/14/2017	Email from father) to SGS and MC	
07/15/2017	MC calls	MC calls in response to his email addressed to SGS and MC. accuses MC of firing his son. MC explains that he is not responsible for firing and recommends that talk to employer if he has specific questions about employment. MC offers to provide contact information for employer. MC also explains that it doesn't appear that was fired; instead MC explains that he believes that was put on leave with pay. then accuses MC of working in collusion with employers and says that was "fired" because of accusations made from a "disturbed girl." MC explains that he cannot give details of his meeting with unless authorizes it due to FERPA. MC gives an overview of the discrimination complaint procedure and explains that he often meets with individuals that have had concerns raised against them but that this does not mean there is a formal complaint or that the person is under investigation. Both parents accuse MC of violating due process rights and argue that ordering not to talk to others about this is wrong. MC explains that no one from EOO told that he cannot talk to others but that EOO advised not to ask individuals whether or not they expressed concerns about him to EOO because this type of questioning can be perceived as retaliatory or intimidating. and mom continue to accuse MC of collusion and threaten legal action before hanging up.
07/18/2017	Call to MC from	says that he is in a better state of mind to talk. wants details about the meeting had with MC and SGS. MC reiterates that he is more than happy to discuss details with but he needs permission first due to FERPA. MC also reiterates that the EOO process is separate from employer and that EOO's purpose for meeting with or others is not for employment decisions. MC says that he will let know that they spoke and will work with to schedule a meeting time but it is decision on whether he wants his dad to attend.
07/19/2017	MC calls	Set appointment for SGS, and MC for 07/21/2017
07/21/2017	SGS and MC	SGS and MC reiterate the Discrimination Complaint Procedure with and including differences between the informal

	meets with and	and formal process. They explain the specific concerns raised by and that EOO is handling these concerns in an informal manner. They emphasize on several occasions throughout the discussion that is not under investigation but that this does not prevent from filing a formal complaint against later on. In additional add
07/25/2017	to SGS	called SGS with concerns regarding Specifically, shared that contacted a former student, to ask questions about why was "fired" as an indicated to (who later shared with that he felt played a role. SGS informed it was her choice as to what extent she chooses to engage with about this issue, but that limiting discussion with students about his role with and concerns about him in his role may help deescalate the situation. SGS provided a summary of EO's meetings with to and indicated that could contact EOO if she had any further concerns related to
7/26/2017	to SGS (SGS out; MS took message)	called EO Office with related concerns regarding . MS explained that SGS and MC are both out of the office until next week, and would follow-up when they return.
08/02/2017	MC call to (left voicemail)	MC following up on phone calls made by out on vacation to EO while MC
08/04/2017	to MC	MC followed up with and discussed EO's meetings with thanked MC for EO's involvement and indicated that she did not wish to file a complaint against
